With this letter we would like to confirm the completion of Elmira Hrachyan's internship in TailBook Ecosystem.

During the two-month internship from 30.08.2024 to 17.10.2024 Elmira showed herself as a specialist who effectively performs the assigned technical tasks.

Elmira together with 2 other interns took an active part in the beginning of work on the web version of one of the ecosystem services and was chosen by her 2 teammates as a leader of their team: she together with her teammates took an active part in the evaluation and structuring of the project, distribution of frontend development tasks and their execution, actively participated in online team meetings, presenting the results of the team's work, and controlling the execution of tasks by the frontend development team, which allowed to complete a significant amount of tasks in a short period of time.

Elmira demonstrated confident knowledge of React.js, JavaScript, HTML, CSS, effectively applying her knowledge to realize the tasks set.

If you have any questions about the recommendations, please do not hesitate to contact me.

Best regards.

Konstantin Skavitin
